

Open Doors for Multicultural Families

Multicultural Family Empowerment Project

For Diverse Families of Children with Disabilities

Are you interested in connecting with other diverse families who share similar culture, language & experiences of raising children with disabilities?

The Multicultural Family Empowerment Project is forming different culture, ethnic and language family support groups for diverse families in South Seattle and South King County. You are invited to attend this multicultural family gathering event to form and join a parent group. For you and your group, we will provide assistance, such as:

- \$250/per support group of 5-7 families for future activities directed by your own group members.
- \$150 stipend for each family support group leader who completes our parent mentor training in Jan-Mar, 2012.
- Resources, information, and support to meet your group's needs and initiatives.
- Each attending family will also receive a gift for participation.

OUR SERVICES ARE DRIVEN BY YOUR VOICES!! PLEASE COME JOIN US, LEARN FROM EACH OTHER AND SUPPORT EACH OTHER BY COMING TOGETHER.

**** The Project is jointly funded by Neighbor to Neighbor Fund, Office of Special Education/Community Parent Resource Center Grant & Cathay Bank. Thanks to City of Kent Adaptive Recreation for providing the space and Panda Express for the food.**
